

# NCR SelfServ™ 61

Interior lobby pocket cash recycler

## Cash recycling made simple

The NCR SelfServ 61 has been designed to enhance the consumer experience, reduce costs and generate revenue. It does so by costing less to run and allowing you and your customers to feel better and do more.

**Experience** - SelfServ 61 gives consumers an intuitive way to interact with your business and allows Financial Institutions to let their customers bank in convenient high footfall locations.

**Efficiency** - Helping Financial Institutions lower their total cost of ownership and meet wider corporate social responsibility objectives whilst delivering service excellence through Software tools.

**Agility** - Driving availability through the high capacity Scalable Recycler (SR) with a market leading 300\* note bunch for deposits and withdrawals.

## Key features

- Intuitive Touch Screen - High quality touchscreen integrated with option to add Functional Display Keys (FDKs)
- Easy to service - Simplified parts for enhanced first line maintenance and increased number of field replaceable units for quick repairs
- Enhanced security features – hardware and software improvements to ensure the greatest level of security
- Adaptable design to meet customer demands – a truly modular approach to SelfServ 61 allows FIs to get the right ATM for any interior environment
- Future-proof platform: BIS Certified with UPI based cardless cash withdrawal enabled
