NCR SelfServ 64
Exterior Through-The-Wall cash recycler

Cash recycling made simple

The NCR SelfServ 64 has been designed to enhance the consumer experience, reduce costs and generate revenue. Digitally-inspired design taking your brand to the next level whilst adhering to the global accessibility standards. Powered by the new enhanced Scalable Recycler, NCR SelfServ 64 is the perfect solution to future-proof your ATM network.

Experience - for your customers and staff. Mobile interactions at the forefront coupled with Software-driven performance and greater sense of consumer privacy.

Efficient - Helping Financial Institutions lower their total cost of ownership and meet wider corporate social responsibility objectives whilst delivering service excellence though wide range of software tools.

Agile - Versatile device configurations. Dynamic software-driven capabilities, split cassette optiona, interchangeable interfaces and modular ATM design for best results and performance.

Key features

- **Designed for digital future** - New accessible design for ease of integration of mobile-first technologies
- **Versatile device configurations** – Scalable Recycler (SR) is a configurable device allowing you to choose the right configuration to the right location
- **Ease of service** - Simplified parts for enhanced first line maintenance and increased number of field replaceable units for quick repairs
- **Enhanced security features** – security by design with hardware and software improvements to ensure the highest standard of protection against attacks

Product dimensions

Rear access

• HEIGHT	56.37"	(1,432mm)
• WIDTH Safe	20.47"	(520mm)
• DEPTH Safe	36.6"	(930mm)
+ Collar	9.4"	(240mm)
• WEIGHT CEN I safe	1,400lbs	(635kg)

Consumer interface

- Display – 15" LCD multi-touch, optional privacy filter
- Sunlight Readable Display
- Dynamic Colored MEEIs
- Dynamic Mood Lighting (optional)
- Intelligent Pocket Shutter
- Keyboard – EPP (PCI compliant)
- Pin Shield (optional)
- Tamper Resistant Card Readers – Smart Dip, MRCW
- Contactless – Integrated Reader (via card, smartphone or smartwatch)
- Biometrics – fingerprint reader (optional)
- Audio – Optional high-quality public audio and/or sound jack with volume control
- Barcode Reader (optional)

Media Handling 3.0 technology

- Cash Recycling: Scalable Recycler 3.0
  Scalable from 3 to 6 cassettes (full & split)
  - Up to 8 denominations recycling
  - Up to 300 notes** bunch size
  - Cassette Capacities
    - Recycling Cassette capacity: up to 3000 notes*, 332mm
    - Deposit Cassette capacity: up to 3300 notes*, 363mm
    - Split Cassette capacity: up to 700 notes*, 77mm + 1300 notes*, 143mm
    - Exception bin for unfit, suspect & counterfeit notes (75mm + 55mm + 10mm)
  - Foreign object management
  - Secure transport

- Check deposit: Scalable Check Processing Module 2.0 (optional)***
  - Storage capacity:
    - 5 bunch up to 400** items
  - Endorse and return
  - RGB, Infrared and Ultraviolet recognition
  - Upgraded FPGA chipset

- Coin dispense: SmartHopper Coin Module (optional)***
  - Up to 11 coin denominations
  - Storage capacity (standard): up to 11.3kg (24.9 lbs)

Printers

- Graphic Thermal Printer
- Journal Printer (optional)

Security

- USB Protection and Parts Validation
- Portrait Camera
- Cash Camera (optional)
- Consumer Mirrors (optional)
- NCR ATM Endpoint Security Solutions (optional)
- Skimming Protection Solution (SPS) (optional)
- Range of Alarms (optional)
- UL437 cabinet locks
- Safes: CEN I, CEN III GasEx, CEN IV GasEx

Environmental

- Exterior TTW: -31˚F to 122˚F (-35˚C to 50˚C)
- Humidity: 10% to 80%

- Interior TTW: 50˚F to 104˚F (10˚C to 40˚C)
- Humidity – 20% to 80%

Servicing

- Rear access
- Self Service Assistant (SSA)
- Unique adjustable TTW sleeve

Software

- Windows® 10 ready
- NCR Software Suite

Operating platform

- Intel® Core - i3, i5 or i7
- 8GB, 16GB, 32GB, 64GB RAM
- 240GB or 480GB SSD Hard Drive (with 2nd SSD)

Additional features

- Uninterrupted Power Supply
- Bluetooth
- Dual Wireless

*based on 4+1 configuration
**depending on media quality & thickness
*** only one of these options can be selected
